Collected and published Materials in Stara Zagora

Before the implementation of Researchers' Night within REGGAE project some specially prepared and designed promotional materials were published such as (see below):

- 3 posters with REGGAE initial announcement for events in Stara Zagora, Kardzhali and Kazanlak,
- invitations with programme,
- big and small calendars, promoting the event,
- brochure about archaeo-astronomy.

The calendars and brochure were spread among the participants and visitors during the events in three cities.

The programme of the events in Trakia University was published in Bulgarian and announced on the web-site of the Department for Information and In-Service Teacher Training and the Regional Research Mobility Centre, organizers of the events in Stara Zagora (www.dipku-sz.net/mobility).

The special site for the project REGGAE was created (<http://www.dipku-sz.net/unight2007>), where all materials, produced by the team members and the materials, collected during the events in Stara Zagora, Kardzhali and Kazanlak, were published. This web-site was prepared in Bulgarian and in English and information about the events held on 28 September could be found there.

The following publications are available on the REGGAE web-site (<http://www.dipku-sz.net/unight2007/publication/publication.htm>):

- Brochure about archeo-astronomy;
- Presentation, which contains some interesting materials related to the first Maria Curie Outgoing International Fellowship in South Africa, which is being realised by Dr. Stoycho Stoev from Trakia University;
- Presentation about the inscription of the Byzantine Emperatrice Irina;
- Video films about the project events in Stara Zagora, Kardzhali and Kazanlak.
