The advertisements about the competitions organized by Club 'Young Scientists' (CYS) were widely spread in the whole country and as well with the means of Internet.

All the awarded pictures from the competition "Draw me a researcher" were exposed at 28<sup>th</sup> of September in the main event places and were made available to the public at <http://www.cys.bg/reggae>

There was interest from participants from different cities in Bulgaria and photos from different historical and not so-well known places in Bulgaria were obtained. All photographs from the photo competition were published at the CYS web-site and they could be seen at <http://www.cys.bg/gallery>. After the final selection the awarded photos will be exposed at <http://www.cys.bg/reggae>.

The virtual education gallery was prepared in Bulgarian, English and French language and were launched on 28<sup>th</sup> of September during the two planned exhibitions in the National Ethnographical Museum.

Special folders including the events for the Researcher's night in Sofia city have been prepared for the youngest and were distributed in secondary schools, via email to all Sofia schools, associations and local authorities.

Internet streaming of the night (in the evening of 28<sup>th</sup>) is planned. It will be organized with the aid of our partners Noterik, The Netherlands.
